## Wings for All® Help Make the Skies Friendlier

Wings for All® is an event designed to alleviate some of the stress that families with a loved one with intellectual and developmental disabilities (IDD) experience when traveling by air. The program provides families with the opportunity to practice entering the airport, obtaining boarding passes, going through security, and boarding a plane. Wings for All® also gives airport, airline, and Transportation Security Administration professionals and other personnel the opportunity to observe, interact and deliver their services in a structured and safe learning environment.

### Sponsor a Wings event

Each Wings for All® event brings together people with disabilities, their families plus employees and volunteers from chapters of The Arc, the airport, airlines and TSA. When you sponsor a Wings event, you can connect with a broad and loyal consumer segment and promote your concern for your community. Events are being scheduled now in airports throughout South Carolina, so contact us to get involved today!
