Community Partner Feature & Directory Listing Fee

Dear Community Partner,

Thank you for your interest in being featured by **The Arc of South Carolina**. We value all organizations working to support individuals with intellectual and developmental disabilities (IDD) in our state. As part of our ongoing efforts to connect families and individuals with quality services, we maintain a **Statewide Disability Resource Directory** and regularly spotlight **Community Partners** across our social media platforms (Facebook, Instagram, and X/Twitter).

To help us continue this work, we kindly request a **one-time administrative fee of \$100** from **for-profit organizations** interested in:

- ✓ Being listed in our Statewide Disability Resource Directory
- ✓ Receiving a **Community Partner Spotlight** on our social media platforms
- ✓ Increasing your visibility with families, self-advocates, and other professionals in the disability field across South Carolina

This fee helps support our outreach, website maintenance, and resource-sharing efforts that directly benefit the disability community.
